Dear Apprentice:

Your apprenticeship coordinator Larry McManamon, Jr. will be here **February 22, 2021** for your upgrade.

You have two options for this day:

10:00 am or **2:00 pm** to take your upgrade test.

For those of you working, you need to work it out with your steward.

All lessons have to be completed before the L.M.S. will let you take your test. Have your lessons done **before** the test date.

Please be prepared to write **two Checks**. . One payable to Boilermakers Local 363 in the amount of \$125.00 and one to G.L.A.B.A.P. for \$50.00.

If you do not have the above checks, your dues paid, you will not be able to take your test and upgrade.

Your attendance is mandatory. Any questions, please feel free to contact me.

Sincerely,

William M. Mulconnery
